How To Wear Your Mini Capsule

- ✿ All items can be shopped in SA, either in-store or online!
- ✿ Each top pairs with each bottom for multiple outfit options.
- ✿ Layer dresses jacket/shirt/knit for instant variety.
- ✿ Shoes are interchangeable to match casual or slightly dressy looks.
- ✿ Accessories (hat, scarf, belt, or bag) can quickly refresh outfits.
- ✿ Stick to a cohesive colour palette - neutrals + 1–2 accent colours.
- ✿ Keep fabrics natural in hotter weather.
- ✿ Mix prints sparingly - wear one statement piece at a time.
- ✿ I have given different silhouette / colour options for most items.

1. Light Neutral Tee

White, cream, or soft beige. Perfect for layering or wearing alone.

2. Hero Colour Blouse

A short-sleeve or sleeveless blouse in a summer-friendly colour.

3. Linen or Cotton Shirt

Light, breathable, slightly structured to wear on its own or use as a layering piece.

BOTTOMS (2)

4. Linen or Cotton Pants

MATCHING SET (1)

7. Day Dress

A lightweight maxi or midi length dress for everyday wear. Wrap silhouettes are usually a winner!

8. Evening Dress

Slightly dressier option for dinner, events, or summer outings.

SHOES (2)

9. Sandals

Neutral colour - versatile to wear with pants, skirts or dresses.

10. Low-Heel Sandals

Perfect for slightly dressier occasions.

A woman is seen from behind, sitting on a concrete ledge. She is wearing a bright yellow, long-sleeved dress with a gathered waist and a large, wide-brimmed straw hat. Her right hand is raised, touching the brim of the hat. On the back of her right sleeve, there is a prominent red lipstick smudge. The background features a modern, multi-story building with a light-colored facade and several arched windows. To the left, there is a swimming pool with a tiled edge. The overall scene is brightly lit, suggesting a sunny day.
